

ROCKCASTLE FAMILY DENTAL CENTER

Rockcastle Family Dental Center strives to achieve a clean and safe environment for all of our patients and staff. In order to reach and exceed our high standards of cleanliness and safety, we have adopted the following guidelines:

Lobby:

Due to COVID-19 and increased safety precautions, it is our office policy to reserve our waiting room for parents/guardians of minor children (1 per child/family) and family members of patients with disabilities who may require additional assistance. For all others, we require that you wait in your vehicle. Parents/guardians of minors who do not wish to wait in the lobby, must remain at the office in their vehicle.

Exam Rooms and Operatories:

Due to CDC regulations, only the scheduled patient is allowed in the exam rooms and operatories. Patients requiring additional assistance by a family member or caretaker will be permitted at the dentist's discretion.

Legal Guardians:

Legal guardians are required at ALL appointments. Grandparents, siblings, aunts and uncles are NOT legal guardians and, therefore, may not accompany a minor patient without a signed release from a legal guardian PRIOR to the appointment. Anyone accompanying a minor MUST BE AT LEAST 18 YEARS OF AGE.
